Information that is gathered from visitors

In common with other websites, analytics files are stored on the web server saving details such as the visitor's IP address, browser type, referring page and time of visit.

Where contact information is submitted, such as via the contact form, the visitor's personal information will not be stored on the server. It is sent via encrypted post method to the recipient email address at Advance Pest Control.

How the Information is used

E-mail addresses and personal information will not be sold, rented or leased to 3rd parties.

E-mail may be sent to inform you of news of our services or offers by us but will include an opt out option.

Advance Pest Control may contact you via any of the methods supplied if it is requested.
